

# Parking Information

Free parking is available in two (2) retail garages within the Beauvallon building (east-facing side). Both garages are accessed from Lincoln Street between 9<sup>th</sup> and 10<sup>th</sup> Avenues. *Garages are not connected.* Parking is available in all numbered spaces (without additional Reserved signage) on a first come, first served basis. **Garages come up quickly after you cross 9<sup>th</sup> Avenue and both have left lane entrances.** We recommend arriving early in case the garages fill and alternative parking must be secured.

Note: The main entrance to MDDS/MWDI is located at the corner of 9<sup>th</sup> Avenue and Lincoln Street. If you park in a garage space, please return to street level to access our front entrance.

- **Do not park in spaces marked KCNC or Matrix.**
- Do not park in the residential parking. Residential garages are located at the back of the retail garages through a gate.
- Metered street parking is available 8:00am-6:00pm with a two (2) hour maximum. Meters are free after 6:00pm and all day Sunday.
