Metro Denver Dentists Give Back to Our Nation's Military and Their Families

DENVER – October 10, 2018 – On October 11, 2018, dentists from around the metro area will participate in our nation's largest military thank you event, Freedom Day USA. This event provides free dental care to active military, veterans and their immediate families.

More dental offices than ever before are participating in 2018. The dental offices span the metro area including Denver, Aurora, Brighton, Littleton, Lakewood, Thornton and more. Services provided vary by location but can include oral cancer screenings, cleanings, fillings, root canals, simple extractions and crowns, to name a few.

Dr. Hana Kim, general dentist at Smile Aurora Dental in Aurora, is passionate about the event and is participating for a third year in a row. She and her staff (like many others) donate their time to this worthy cause. "I view participating in Freedom Day as an opportunity to give back and make the world a better place." While Dr. Kim does not accept payment for treatment completed on Freedom Day, gifts like "gratitude, love, satisfaction, awareness and more" make it all worth it.

To learn more about Freedom Day USA or to find a participating office to make an appointment, visit freedomdayusa.org or contact the Metro Denver Dental Society at (303) 488-9700.

Founded in 1897, the Metro Denver Dental Society (MDDS) is a professional association devoted to the advancement of the dental profession and oral health awareness. MDDS is a not-for-profit component of the American Dental Association and the Colorado Dental Association.
